

CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: National Public Works Week Proclamation

MEETING DATE: May 7, 2008

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Present a proclamation proclaiming the week of May 18-24, 2008, as "National Public Works Week."

BACKGROUND INFORMATION: Public Works Week is a national event to educate the public on how important the contribution of Public Works is to their daily lives. This year's theme is "The Future is Now". National Public Works Week calls attention to the importance of Public Works in community life and seeks to enhance the prestige of the often-unsung heroes of our society – the professionals who serve the public good every day with quiet dedication. These unsung heroes are the men and women in Public Works who plan, design, build, and maintain our water, wastewater, drainage and street systems, City buildings, and fleet; who are responsible for the City's transit and solid waste services; who play a role in the quality of life in our community; and who are helping to move life forward.

A representative of the Public Works Department will be present to accept the proclamation.
